foldable designs...**

ABOUT OUR COMPANY

With years of experience in the Houseware industry, we established Okuyan Table & Sofra in Sakarya in 1999. Since our first years, we have been producing Folding Tables. From past to present, we have always taken into account the preferences, expectations and needs of our customers. This made us the largest folding table manufacturer in Turkey today.

We have always experienced the pride of being the first company to bring innovations to the sector, to design new products and product developments, and open new markets. We continue to offer newer and different products with the R&D studies we have focused on in recent years. We will continue to serve you with folding tables, picnic tables, computer tables, tea tables and many more folding tables that appeal to all areas of life.

ABOUT OUR MISSION

To design and manufacture foldable and practical tables with high quality and precision focused team for the World.

ABOUT OUR VISION

*To make folding comfort available to **8 billion people**.*

OUR QUALITY POLICY

At Okuyan Folding tables, we value increased awareness of quality at each step of our production line. Matching high standards of our customers with our total quality approach is our goal. Quality assurance is not just a value for us, but also a requirement for customer satisfaction.

The background of the entire page is a photograph of a modern interior. It features a window with white horizontal blinds, partially open, set into a wall of light-colored stone tiles. The floor is made of light-colored wood planks. A dark green horizontal band runs across the middle of the image, containing the word 'LECTION' in white outline letters. To the left of this band, on a black background, is the word 'EN' in large white solid letters. Below the band, on a dark green background, is the text 'For a Practical And Comfortable Life' in white. In the bottom right corner, on a dark green background, is the number '5' in white.
